The organizational structure of the Board is given in **Annexure I**.

The Board is having 34 Regional Offices spread all over the State to discharge its duties in close proximity to stakeholders. The address of the Central office, Regional Offices and the Central laboratory is given in **Annexure-II**.

Chapter 2

Powers and Duties of Officers and Employees

[Section 4(1)(b)(ii)]

In order to fasten the decision making process the KSPCB has two tier system of working (consisting of Head office & Regional Office).

The Central Office is the focus for setting policies and for providing support to the Regional Offices. It is the base for Board's Chairperson and Senior Officials, whose responsibility is to ensure that the policies are delivered consistently, while allowing for local differences in environmental, social and economic climate where appropriate. The central office takes decision on all CFE & Ist CFO applications. Further decision on renewal CFO applications in respect of red category projects with investment more than Rs. 5 Crores is taken at central office

The responsibility of officers/facilities while implementing above legislation is given in the following paragraphs.

The functions of the **regional offices** are as follows:

Consent for operation (CFO) : All orange and green category organizations renewal CFO applications(except Ist CFO) under Water and Air Act are issued by the Regional Office irrespective of the investment. Disposal of renewal CFO application (except Ist CFO) in respect of Red category units with investment less than Rs.5(five) Crores and not covered under EIA notification has been delegated to Regional Office.

Major administrative responsibilities of the regional offices are as follows:

- Inspection of industries, hospitals and local bodies;
- Monitoring water bodies and wastewater;
- Monitoring Ambient Air and stack emissions.
- Inspection of sites proposed for setting up of industries to verify the suitability of the same from environmental point of view;
- To issue closure order for defaulting units as per power delegated from time to time;
- Preparation of draft Annual Report concerned to the Region and to submit to the Board Office within the stipulated time;
- Offering guidance to industries and local bodies on statutory provisions;
- Furnishing details to the Central Office in matters relating to issue of Consent for Establishment and Consent for Operation to industries and to attend to the works connected with investigations of complaints etc.
- Attending district level Single Window Agency (SWA) Meetings of Industries Department;
- To verify cess returns, prepare assessment orders & collection of cess amount under Water (Prevention and Control of Pollution) Cess Act, 1977 and amendments from time to time.

- Preparation of plans and programs for establishment of common effluent treatment plant in the area;
- Co-ordinating with different agencies for issue of early clearance for establishment of new industries in the area;
- Arranging Seminars, Conferences, Training Programs and Public Awareness Programs in the area;
- Preparation of draft petitions in connection with filing Court cases;
- To draw yearly comprehensive programs for survey of problematic areas and to check out preventive measures under Section 17 of Water and Air Act;
- To identify sites for disposal of Hazardous wastes;
- To make proposals for issue of authorization under the Hazardous Waste Management Rules;
- To assist the enforcing authorities for control of vehicular emission in the jurisdiction;
- To collect and consolidate the data in respect of schemes of NAAQM (National Ambient Air Quality Monitoring), MINARS (Monitoring Indian National Aquatic Resources System), GEMS (Global Environmental System) and Board's Programs;
- To initiate action as per law on the complaints received in the jurisdiction;
- To issue authorization under Bio-Medical Waste (Management & Handling) Rules, 1998, and Amendment Rules 2000 as delegated from to time.
- To issue authorization under Municipal Solid Waste Rules as delegated.

Major responsibilities of laboratories:

- To receive and analyze the samples submitted by Regional Office; and
- To prepare requirement of chemicals, equipments and instruments.

Chapter 12

Manner of execution of subsidy programs

[Section 4(1)(b)(xii)]

The Board is an enforcement agency and no developmental activities are implemented under any plan budget.

Chapter 13

Particulars of Recipients of concessions, permits or authorization granted by the Public Authority

[Section 4(1)(b)(xiii)]

The Board grants Consent for Establishment, Consent for Operation under Water and Air Act. Also the Board grants authorization under Hazardous Waste management rules, Bio Medical Waste management Rules, Municipal Solid Waste Management Rules and registration under Plastic Manufacture, sale and usage Rules.

For detailed information visit website : <http://kspcb.kar.nic.in>

Chapter 14

Information available in electronic form

[Section 4(1)(b)(xiv)]

The Board has set up a web site (<http://kspcb.kar.nic.in>) from which general information about the activities of the Board can be accessed. The web site also contains the Citizens Charter wherein various kinds of services available to the stakeholders and public and other information are available. The annual reports of the Board are also posted in the website of the Board which gives complete picture of the activities of the Board during the particular year from administrative /financial/technical angle.

For detailed information visit the website : <http://kspcb.kar.nic.in>

Chapter 15

Particulars of facilities available to citizens for obtaining information

[Section 4(1)(b)(xv)]

Besides the information available on the web site, the Board has also set up a helpdesk at 1st Floor, Parisara Bhavan, No. 49, Church street, Bangalore where necessary information and guidance to the public and also entrepreneurs are given.

There is a library in the Central Office containing copies of Acts and Rules, documents and other publications relating mainly to pollution control and environmental matters. This is not open to public; however public can have access to the library with prior permission during office hours.

The working hour of the Pollution Control Board is as followed by the State Government offices. Visitors are allowed on all working days between 3.00 PM to 5.30 PM to meet the officers. In exceptional cases, they may also visit the office any time during working hours with prior permission.

The Board also maintains a register of CFE/CFO granted under Water Act and Air Act to various organizations containing particulars of the conditions imposed under various section of Water Act/Air Act with all details which is open to inspection by public at the respective offices of the Board during working hours.

For details information visit the website : <http://kspcb.kar.nic.in>

Chapter 17

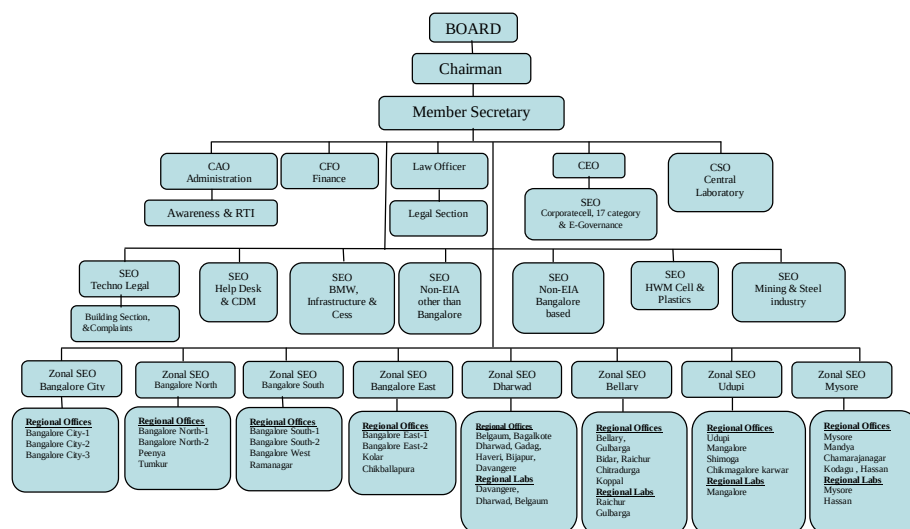

Other Useful Information

[Section 4(1)(b)(xvii)]

One of the functions of the Board under the pollution control laws is to create awareness among the public. In this regard the Board has developed three mobile awareness vans (one for the industries, one for the schools and the other for the urban population). In addition the Board organizes World Environment Day, Ozone Layer Protection Day every year to create awareness. The Board has also produced documentary films on various aspects of pollution control. These films are screened at various public functions, schools, colleges.
